

Dear Brethren:

Thank you for providing one of Brown Trail's students an opportunity to preach or teach at your congregation. Such experience is invaluable for the students, as they are being prepared to preach the "unsearchable riches of God." Such preaching opportunities are very much a part of their learning experience.

As part of our overall program of training men to serve as Gospel Preachers we have deemed it beneficial to receive feed back information from the various congregations for which the students preach. This is done to assist us in better understanding areas for which we may need to direct more time.

Enclosed, along with this letter, is our student preacher review form for which we ask that you take a few minutes and fill out for us. Then, please, return it to us in the stamped, self-addressed envelope. Please feel free to make comments, good or bad, as they will not be shared with the students. One thing that I ask, relative to comments, is for you to take into consideration the amount of time that the student has been in school. First quarter students should not be expected to do as good as last quarter students.

Your assistance in this area is much appreciated, and will help us to direct our attention to any areas of weakness that may be seen.

Once again, thank you for providing our student the opportunity to preach and for taking the time to fill out the enclosed form.

In His Service,

---
